

Welcome to GCSE Drama!

We are very excited to have you on the course and can't wait to work with you. We thought you might like some suggested activities for the Summer holidays to help best prepare you for your learning.

You could:

- **Read some plays (come and visit our Drama library in S.29 for inspiration)**
- **Go people watching and use your imagination to create some character profiles**
- **Write a story, play, scene or comic**
- **See some live theatre and have a go at writing a review**
- **Collect a range of stimuli (pictures, stories, objects, poems and music that inspires an idea for a piece of drama)**
