

# Y11 Revision Resources

---

**Departments have produced a wide array of revision materials for students to use independently outside or lessons and over the Easter holiday. They are available in hard copy and on Fronter.**

## **Maths**

All students will be receiving the document printed later in the newsletter outlining the resources available and the expectations of students over the holiday. This will also be posted on Fronter. Students will take away with them exam papers for Easter IL and they should also have a bank of exam papers from the lessons since January (all on Fronter).

## **English**

English is setting a practice question/paper for all elements of Literature and Language because students need to do more exam practice outside of lessons in order to improve their grades. Teachers will check completion and mark them after Easter. These are all going out in hard copy and will also be available on Fronter.

## **Science**

All students have received the documents for each science they study (hard copies). These contain the revision programme for each Science and a guide to where resources are on Fronter. We have been regularly adding resources to Fronter and guiding students to what is there and where to find them.

## **Drama**

Drama students have been given a hard copy of a 74 page revision booklet. It can also be found on Fronter.

## **History**

- All students will be given in-house copies of revision guides.
- Topics on the exams are as follows: Paper 1: Medicine Through Time 1250-present and Medicine on the Western Front, 1914-1918;
- Paper 2: Superpowers and Cold War 1945-1991 and Early Elizabethan England 1558-1588, Paper 3: The USA: Conflict at Home and Abroad 1954-1975 - Civil Rights and Vietnam.
- They can use purple revision guides from Edexcel (most already have these) – can borrow from G19 for use in school.
- Edmodo - class teachers provide exam questions / quizzes for students regularly.

- Target 5/ 9 books are being used as IL for students also.

### **Geography**

Year 11s have been given a hard copy of the revision booklets for Paper 1 and 2 with lots of practice questions. A copy is also available on Edmodo where students can access coloured resources like maps, graphs etc. In addition to this they have been doing some practice papers in lessons which they can look over and improve their answers. Most students have been given access to a digital textbook (was given before mock exams) which has a range of questions at the end of each lesson (if they don't have access details and would like to request, they can see Ms Gurm).

On Edmodo, students can also send some practice questions/answers to their teachers if they would like these marked or if they would like to ask or clarify any questions. These are also now on Fronter, although many Year 11s use Edmodo rather than Fronter.
