

Sixth Form Dress Code

At Isaac Newton Academy, all Sixth Form students are expected to adhere to the Sixth Form dress code. It is important our Sixth Form students role model a sense of belonging to and pride in the Academy community by adhering to our expectations.

As students are preparing for life beyond INA, we expect Sixth Form students to dress professionally. This means:

- Formal/business dress.
- Wearing tie and having a jacket for male students.
- No jeans, flip flops, trainers (except when in a practical physical activity) or revealing clothes.
- Body piercing should be limited to an earring in each ear lobe.
- Any tattoos should be hidden from view.
- Any make up worn should be discreet.
- Hoodies are not permitted.
- Outdoor wear is not permitted inside the school building.

In addition, all 6th form students will be expected to wear a lanyard and ID card daily to signal that they belong within the INA Sixth Form.

It is important that parents/carers support the Academy in maintaining our high expectations by ensuring that their son/daughter is dressed in line with the Sixth Form dress code every day.
