

Ark Isaac Newton Academy

25th January 2023

Dear Parents/Carers,

I hope you are well.

Last year you might remember we asked you to complete our Ark Network parent survey. Please find below a link for you to complete the survey for this year, 2023. The survey will take only 5-10minutes to complete, it is completely anonymous and would be very valuable to us.

How to complete the parent/carer survey:

- Go to this link: <https://edurio.com/poll/79U5AD>
- It is now live and will close on Friday 10th February.
- If you have more than one child at our academy there is no need to complete the survey more than once (unless you want to).
- On the link you will also find a number of language translations to assist you if English isn't your first language.
- The survey is anonymous, and the only information we request is your child's year group, their gender, and whether they receive Free School Meals

This survey is sent out to every parent/carer in the Ark Network (over 30,000 families), and we would really value your feedback. The survey not only helps shape Ark's understanding of our parent community, but it also assists in informing us to provide the best quality of education and care for your child.

Your opinion and honesty are much appreciated. If you have any questions or concerns, please be in touch.

We look forward to your feedback and thank you in advance for your time in completing this survey.

Yours sincerely,

Ms Dean
