

# Ark Isaac Newton Academy

Thursday 20<sup>th</sup> April 2023

Dear parents/carers,

Today you will receive your child's spring term reports. After reviewing surveys and discussions with members of our school community, we have evaluated and reviewed the format of our spring reports, and as a result, the information will arrive in the form of a 'Report Card'. The Report Card states the attainment of your child's assessments carried out in March, their attitude towards learning and targets to focus on in the summer term. Discussion about your child's progress and personal development will take place during our Academic Achievement Day on Thursday 27<sup>th</sup> April 2023. During this time, you will also have a chance to view your child's books and learning. If you have not yet booked your appointment, please login to [SchoolCloud](#). Your parent login code remains the same as last time. If you do not have your code, please contact the office.

Looking forward to welcoming you into school on Thursday 27<sup>th</sup> April for our Academic Achievement Day.

Yours sincerely,

Ms West

Head of Primary
