Re: Changes to student academy reports

Dear Parent/Carer,

As you know, at Isaac Newton Academy we have the highest academic expectations for all our students. Soon, you will receive your child's report for the Autumn term which has key information about how they are doing in their subjects, their attendance, the number of merits they have been awarded and the number of detentions they have received. Please discuss with your child what is going well, and what needs to improve.

We have recently reviewed the design of our parent reports. This new report format will make it easier for you to be able to identify your child's strengths and areas of development. Please [click here](#) for an example of the template which we have annotated with the key things to look out for.

The key changes are as follows:

- **Percentage:** This shows you how your child has performed in the end of term assessment.
- **Rank:** This gives you an idea of how well your child has performed compared to their peers in their year group. A rank of 1 means they have highest result in the year group.

To support your child on how they can improve, here are some suggestions for conversations you might want to have with them:

- **Percentage/rank:** Celebrate your child's success in the subjects they have scored highly in. Identify which subjects your child has got the lowest overall percentage or rank in. Find out from them what they think they can do to improve in the subject/s. Their exercise book and end of term assessment will show where their gaps are. Holiday IL set by teachers will also have activities your child can do to improve their outcomes next time.
- **Attendance and punctuality:** All students should be aiming for 96% attendance or higher. Students should also be aiming for 0 lates.
- **Merits and behaviour points:** All students should be aiming for as many merits as possible. Students should be aiming for 0 behaviour points.

If you would like more information, have feedback, ideas or suggestions for the new report layout then please do not hesitate to get in touch with us. You can call the school on 020 8911 6666 or email info@isaacnewtonacademy.org and ask for your child's pastoral leader or a member of the senior team will get back to you.

Yours sincerely,

Mr A Ademolake

Vice Principal
