

18th July 2022

Dear Parents/Carers,

We will continue to remain open on Tuesday 19th July, as we have operated today. The academy will close slightly earlier, from 14:00-14:15, rather than the normal scheduled time of 16:00. Although the academy was hot, it was certainly manageable, and it was great to see so many students demonstrate the level of grit with their learning today.

If you want your child to stay at the academy until 16:00 please complete this form below and we will ensure a provision is provided.

- Please only complete if you wish your child to have a provision until 16:00

It is vital we remain open for several reasons. First, for education purposes, especially considering how much education has been missed over the last few years. Second, school is an important place for many students, especially as we approach the summer holidays. Third, importantly we want to ensure that parents/carers are not inconvenienced or at the very least minimise the impact. Lastly, as I shared with my Senior Leadership Team this morning, our nation is getting hotter and unfortunately, we are going to have manage to work and learn in more extreme weather conditions.

Finally, if you are planning to keep your child at home tomorrow, please ensure you complete this form by 8:25am Tuesday 19th July. Failure to complete this form will mean your child's absence will be unauthorised. Unfortunately, we had many parents/carers who did not inform the academy about their child's absence today, which we cannot experience moving forward.

- Please only complete if you as the parent/carer are making the decision to keep your child at home on Tuesday 19th July 2022 due to the extreme weather conditions.
