

16<sup>th</sup> October 2020

Dear Parents and Carers,

I want to thank you for your full support over the last few weeks.

Following the government announcement on Thursday 15<sup>th</sup> October, Redbridge is now subject to national interventions to reduce COVID-19 transmission rates. As such, Isaac Newton Academy is now subject to additional interventions from Monday 19<sup>th</sup> October. The school remains open, and our students are in bubbles as outlined previously.

To reduce the spread of the virus, all secondary and sixth form students **should wear face coverings** when moving around the school, transitioning between lessons and in communal areas. We will speak to the students about the routines for this next week in tutor time.

Please ensure that your son or daughter has a fresh face covering for use in the communal areas of the building. This will help to reduce transmission rates.

Please can I remind parents and carers that students are expected to come into school unless they or someone in their household has tested positive for Coronavirus and are self-isolating. It is imperative that students continue to maintain high levels of attendance at such a crucial time.

If you have any questions, please do not hesitate to contact us on [info@isaacnewtonacademy.org](mailto:info@isaacnewtonacademy.org)

Yours sincerely,

**Morgan Haines**  
Principal
