

23rd March 2021

Dear Parent/Carer,

Re: Virtual information Event for Year 11 and Year 13 students and parents/carers

On **Tuesday 30th March at 5.30pm** we are hosting a virtual information event for the families of Year 11 and Year 13 students. The purpose of the event is to share the assessment process for Centre Assessed Grades (CAGs) and, ultimately, students' GCSE / A Level / BTEC qualifications.

Mr Haines previously shared this information in his letter to families on Thursday 18th March 2021 and in his assembly to Year 11 and Year 13 students on Monday 22nd March. The link to the letter is below:

Importantly, the event will offer parents/carers the opportunity to ask questions about the process. We understand that this will be important to many parents/carers and we are committed to reassuring our students and families that the process in place is robust and fair.

If you want to attend the virtual information event, pre-registration is required. Complete the MS Form below by Sunday 28th March and we will email you the link for the event during the day on Tuesday 30th March. Please use your full name on the Zoom call and ensure you are on mute as you enter. The link to the MS Forms to register your intention to attend is below:
