

4th February 2021

Dear Parents and Carers,

I hope this letter reaches you and your families in strong health - body, mind and spirit.

I am writing to communicate that we are **postponing our planned INSET day on the 22nd February** following the half term holiday. The main reason for this, is that we believe that an INSET day would serve a far greater purpose nearer the time to reopening to enable a safe and effective return to the academy for students and staff.

As you will be aware, the government have given a preliminary return date for schools as the 8th of March, however, we have no details or confirmation regarding these plans. Therefore, we will wait until we receive further communication from the government and DFE regarding plans for re-opening before communicating as to when our INSET day will take place.

Please see information below confirming the new arrangements, these can also be viewed on our website.

INSET day on 22nd February is postponed and students will follow **their normal Monday virtual timetable.**

Yours sincerely

Morgan Haines
Principal
