Subject: Invitation to Pastoral Leader remote learning information event

Dear Parent/Carer,

To support students and families with the transition to remote learning we are holding information events for each year group. These events will be held by the Pastoral Leader and will take place virtually (using Zoom) on **Monday 18th January at 4.30pm**. This will be an opportunity to view a short presentation about our remote learning provision. There will also be an opportunity at the end to ask questions about the remote learning provision. Please note, Pastoral Leaders will not be able to answer specific questions about an individual student's progress or access to remote learning during this event. If you have specific questions about your son/daughter, please email info@isaacnewtonacademy.org and we will be in touch.

I would like to take this opportunity to highlight some of the other information that is available to students and families to support with remote learning:
