Step 3: Biometrics

- When you input your PIN code, it will ask you whether you would like to turn on your biometric authentication or allow the app to use face ID.
 - If you choose 'No' you will go straight through to step 4
 - If you would like to use biometrics press 'yes' or 'ok' depending on your phone options.

You may receive the below pop ups.

Step 4: Login

- You will be taken through to the below page where you will need to select 'Username and Password' to login to your MCAS account
