

## MS TEAMS EXPECTATIONS

If you have been sent home from school **your learning continues** using MS Teams.

Your Form Tutor covered expectations and logging on during your September INSET days but if you need a refresh, visit <https://isaacnewtonacademy.org> and access [Teams Student Guide](#).

You are expected to be on **MS Teams ready to learn LIVE** at the following times:

- **Key Stage 3 – Every timetabled lesson**
- **Key Stage 4 – English, maths and double/combined science**

For key stage 4, your option lessons will be posted by your teacher using the **assignment feature** of MS Teams

The expectation is that this **learning is completed the same day** as the timetabled lesson following the individual instructions.
