

OUR VISION FOR DINING AT ISAAC NEWTON ACADEMY (PRIMARY)

At Isaac Newton Academy we believe we have a role to play in educating students in healthy eating to support learning and ensuring a balanced diet. We are aware that for many students their lunchtime meal is their main daily meal and therefore it is important that this is a nutritious one. We aim to support students in making sensible food choices from within a range of healthy options. We aim to introduce students to fresh and sometimes new ingredients and recipes. We respect students' cultural, religious and moral dietary requirements.

We also know that many families do not sit down to eat together in a formal and structured way and we aim to ensure that all students get regular opportunities to experience the routines, responsibilities and social etiquette of "family" or formal dining. Mealtimes are an opportunity for the member of the Academy's community to get together in a social setting. They should be pleasant and civilised occasions where students and staff can relax, unwind and enjoy each other's company over food and drink. To ensure this ethos and atmosphere, certain expectations are clearly communicated to all and mealtime behaviours are taught to students.

Every child is expected to have a plastic water bottle from which they will be encouraged to drink water throughout the day.

BREAK TIME PROVISION

We believe in encouraging the children to eat healthily. The children in Reception classes will be provided with a fruit snack as part of their daily 'Fruit & Talk Time' routine. Additionally free milk is available to all pupils under the age of 5. Fruit is also available for all the Year 1, 2, 3 and 4 pupils, to be eaten in during the morning break time.

LUNCH TIME MEAL PROVISION

Lunch is freshly cooked onsite every day to provide every child a healthy, balanced meal. Lunchtime is a really important part of the school day which gives our staff and children an invaluable opportunity to share, talk and listen to each other's experiences. For this reason, every child is expected to eat in school each day; pupils will not be allowed to go home at lunchtime. Every child in Reception, Year 1 and Year 2 is entitled to a free meal every day.

Lunch is served in a formal family dining manner with children sitting in groups. The children will not queue for food, but instead communal dishes are placed on their table. It is expected that the pupils will become increasingly independent and serve themselves and others as they progress through the primary Academy, as well as help to tidy up afterwards.

- Reception: Adults serving, children help to pass bread, salad items etc. around
- Years 1-6: Children will be encouraged to hand out bread, pour water and serve dessert

Pupils are sat in groups according to their dietary requirements and choices. A vegetarian, halal and non-halal option is always available. Parents must inform the Academy of any particular dietary needs or food allergies that their child has. To help ensure the child is sat at the correct table each day, a coloured wrist band is given to the children by their class teacher before lining up to enter the dining hall. Each colour is matched to a particular dietary requirement.

DINING EXPECTATIONS

- We only eat and drink sitting at a table
- We talk in quiet voices to ensure a noise level in the dining hall conducive to relaxed chat
- We help to serve others on our table with water (provided on tables in glass water jugs) before helping ourselves
- We include everyone on our dining table in conversation while we are dining
- We leave our dining table when everyone has finished their meal
- Everyone is responsible for clearing away rubbish, cutlery, crockery and trays, wiping up spillages and tucking in chairs (we help each other with these tasks).

DINING ROUTINES FOR 2020-21

It is paramount that the INA dining vision is held with the highest regard and that family dining remains at the core of primary lunchtime practice.

Year 4 and Year 2

At 12:00pm the Year 4 and Year 2 children will be led by the class teacher and teaching assistant to the dining hall. The lunchtime supervisors will lead the children to their tables according to their dietary needs. The Year 4 children will eat at the tables towards the back of the hall nearest to the screen and will set out their own tables.

Teaching assistants and class teachers will divide themselves up and sit with the children at different tables, sitting on the outside seats and facing in so that all staff can have a view of all the Year 4 and Year 2 children. Each member of staff will aim to oversee at least two tables. At 12.20pm the member of SLT or Year Team Leader will call pupils to attention. Children can be sent out to play once midday supervisors have checked that all Year 5 and Year 2 classes are lined up and returning into class. Year 4 will lead up the playground stairs to the mezzanine and MUGA play spaces, and Year 2 will play on the main playground.

When the children are sent out to play, elected lunch monitors will tidy up and re-set the tables ready for the second sitting. The staff will remain in the dining hall with the children and support with dismissing the children and observing/supporting the re-setting of tables with the lunch monitors. This will be completed by 12.30pm.

Any pupils still eating in Year 4 or Year 2 sit on one table directed by the midday supervisors to allow for the other tables to be setup and cleared ready for Year 5 and Year 3.

Midday supervisors will be in the playground ready to receive the Year 2 children at 12:20pm and also up on the mezzanine and MUGA to receive Year 4. Midday supervisors will play with children during their time in their relevant play spaces, supervise them to keep them safe, support with problem solving and administer first aid if required.

At 1.00pm the whistle will be blown on the playground for Year 2, and on the mezzanine and MUGA for Year 4. All children are to stop. On the second whistle, all Year 2 children are to walk sensibly to their lines outside of the classes on the main playground, where they will be met by their class teachers. Year 4 are to make their way to the MUGA (if not already) and line up, ready for their class teachers to meet them. For Year 2 this will be the second set of whistles as the Year 1 and Reception children will have been stopped and lined up at 12:50 to make their way to lunch.

Year 5 and Year 3

At 11:50pm the Year 3 children are dismissed from class into the playground, the Year 5 children to MUGA and Mezzanine. Midday supervisors will be in the playground, Mezzanine and MUGA ready to receive the children at 11:50pm. Midday supervisors will play with children during their time in the playground, supervise them to keep them safe, support with problem solving and administer first aid if required.

At 12:20pm the whistle is blown in the playground and the Mezzanine and MUGA by the midday supervisors. Children will stop and wait. Once the second whistle is blown, the children walk sensibly to their designated lining up spaces in the playground for Year 3 and MUGA for Year 5. The Year 3 teachers and TAs will collect their class from the playground and the Year 5 teachers and TAs will collect from the MUGA and sanitize/wash hands/visit toilets. At 12:30pm teachers take their classes to the dining hall. The lunchtime supervisors will lead the children to their tables according to their dietary needs. The Year 3 children will eat at the tables at the far end of the hall near the screen.

Teaching assistants and class teachers will divide themselves up and sit with the children at different tables, sitting on the outside seats and facing in so that all staff can have a view of all the Year 5 and Year 3 children.

Once the children have finished their food, they will be responsible for scraping waste on to one plate in the middle on a tray and neatly stack utensils, cups etc. in the middle of the table. At 12:50pm the member of SLT or Year Team Leader will call pupils to attention and dismiss Year 5 and Year 3 pupils.

Any pupils still eating in Year 5 or Year 3 sit on one table directed by the midday supervisors to allow for the other tables to be setup and cleared ready for Reception and Year 1.

Year 3 class teachers and Year 3 pupils are then to walk from the hall, through the doors into the playground, then up the staircase to their classes. Year 5 class teachers and Year 5 pupils are then to walk from the hall, through the doors into the playground up the external staircase to their classes.

Lunch ambassadors will remain in the hall to set up for the third sitting. Lunch Ambassadors must be back in class by 1.00pm ready for learning.

Reception and Year 1

At 12:20pm the Reception and Year 1 children are dismissed from class into the playground. Midday supervisors will be in playground ready to receive the children at 12:20pm. Midday supervisors will play with children during their time in the playground, supervise them to keep them safe, support with problem solving and administer first aid if required.

At 12:50pm the whistle is blown in the playground by the midday supervisors. Children will stop and wait. Once the second whistle is blown, the children walk sensibly to line up outside their class. The Reception teachers and TAs will collect their class from the playground, collect coloured lunch bands (Reception) and sanitize/wash hands/visit toilets. At 1:00pm teachers take their classes to the dining hall. The lunchtime supervisors will lead the children to their tables according to their dietary needs. The Year 1 children will eat at the tables at the far end of the hall near the screen.

Once the children have finished their food, they will be encouraged to scrape waste on to one plate in the middle on a tray and neatly stack utensils, cups etc. in the middle of the table. At 1:20pm the member of SLT or Year Team Leader will call pupils to attention and dismiss Reception pupils. The children will line up with their teacher and walk through the corridor back to their classes.

At 1pm, once Year 2 and Year 4 playtime has finished, all lunchtime supervisors will go to the hall to help with Reception lunch and clear away. Class teaching assistants are to remain in the hall with children to support and encourage slower eaters. All children and teaching assistants are to be back in class by 1:25pm.

Year 6

As part of the preparation for transfer to secondary Year 6 children will now eat their lunch on the secondary site. The children will be escorted across by their class teacher at 12:40pm, with the intention of being seated and ready to eat for 12:45pm. They will then leave to return to the Primary building at 13:05pm. On the return to the primary site they will be escorted to the MUGA and Mezzanine where they will have the opportunity to play.

Midday supervisors will be on the MUGA and Mezzanine ready to receive the children at 13:05pm. Midday supervisors will play with children during their time playing, supervise them to keep them safe, support with problem solving and administer first aid if required.

At 13:40pm the whistle is blown on the Mezzanine and MUGA by the midday supervisors. Children will stop and wait. Once the second whistle is blown, the children walk sensibly to their designated lining up spaces on the MUGA. The Year 6 teachers and TAs will collect from the MUGA.

Wet Lunch Arrangements

In the event of a wet lunch the arrangements will be exactly the same with Year 4 and Year 1 being led to the dining hall at the times listed above. The lunchtime supervisors that would have otherwise been stationed in the playground at the start of lunch to supervise Year 2 and Year 3 will instead supervise classes. The Lead Lunch Supervisor, will arrange for some hall staff to supervise classes and SLT will support where necessary. It may also include splitting one class between the other two within the year group (ideally 6 lunch supervisors, but a minimum of 4 lunch supervisors). Once teachers return to their classes in Year 2 and 3, the lunch supervisors will go and supervise Year 4, Year 1 and also Reception (minimum of 7 lunch supervisors – this is for one in each Reception class and two across Year 1 and two across Year 4).
