

4<sup>th</sup> March 2021

Dear Parents and Carers,

We are very much looking forward to welcoming your child back to the academy next week.

At ARK we know that the experience of lockdown and impact of COVID on family life and your child's education has been varied across households, and we wanted to provide you with the opportunity to reflect on this time. We hope to be able to use the feedback that you share in order to support your child and your family better. To help us with this, we're working together with the Edurio survey platform.

This ARK schools survey aims to help gain insights into topics like workload, communication, remote learning and to help be better prepared for future developments.

To complete the survey, please click here: <https://edurio.com/poll/3U2WDb>

Surveys are completely anonymous and confidential, though the responses will be aggregated for the purpose of analysis. The survey will be available until Sunday, March 21.

Your opinion and honesty are much appreciated. If you have any questions or concerns, please be in touch.

We look forward to your feedback and thank you in advance for your time in completing this survey.

Yours sincerely,
