Peace Awareness Day 14.7.21

Dear parents/carers,

Recent world developments have led to many students in the academy reflecting about the number of conflicts that are currently taking place around the world and the humanitarian crises and suffering that these cause for millions of people. It is clear that our students are incredibly passionate about supporting those who find themselves in these terrible conditions, therefore we are going to take an important step in our commitment to supporting those affected through our Peace Awareness Day on 14th July 2021.

This day will be an opportunity for the school community to reflect on the concept of peace itself and how we, as a community, can be doing more to encourage a peaceful world and support the victims of conflict. As part of this day students will: learn about current conflicts, understand the impact on victims and plan ways in which we can do more to support them.

This day will also be a non-school uniform day, students will need to bring in £1 if they wish to wear non-school uniform, and the money that is raised will be donated to three charities that support the victims of conflict:

- **UNICEF**
- **Human Appeal**
- **Doctors Without Borders**

This is an important step in our school's commitment to working towards a more peaceful society and supporting the victims of conflict and I look forward to working with students and the wider school community in the next academic year to further this commitment.

Yours sincerely,

Simran Athwal
