

Ark Isaac Newton Academy

9th September 2022

Dear Parents/Carers,

I know I speak on behalf of our staff, governors, parents and families at INA when I say how profoundly saddened we are at the passing of Her Majesty the Queen yesterday afternoon. As a community, we offer our thoughts and condolences to the King and the Royal Family.

As we enter a period of national mourning, we will ensure that we take steps to both respect and honour the legacy and achievements of Her Majesty the Queen, as well as supporting our students, staff and community in their own personal and collective mourning. Today, across both phases, we have spoken to our children about what has happened, either through class teachers in the Primary Academy, or through tutor time in the Secondary Academy. From Monday, we will be holding further assemblies, as we reflect on the character, achievements and legacy of Her Majesty the Queen. In due course, we will be reaching out to our community, to ask for how best we can mark her passing.

Over the next week, I will keep you updated of anything further that we will be doing as a community, but please for now know that we are here to support you and your children during this sad time.

Yours sincerely,

Morgan Haines
Principal
