

1. What is it?
2. How do I get involved?
3. How do I log in?

What is the **SPArk Virtual Summer Programme**?

- The programme is on the **SPArk learning platform** and has been written by teachers from across Ark
- Choose from a range of **fun and educational activities** to complete at your own pace over the summer, or challenge yourself to complete the whole programme
- All the activities are either **online** or **practical challenges** that can be done in your home
- From **art projects, to fitness challenges; baking cupcakes, to science experiments** you can do at home, there are so many activities try

How can I get more involved?

Alongside the activities to complete independently, there are also opportunities to [enter competitions](#) and to [share your work](#), for example:

- Compete in a **Virtual Poetry Slam, Writing Competition, Maths competitions, Digital Skills competitions**
- Take part in a **Virtual Music Festival**

How to log in to **SPArk**

1. Go to <https://arkschools.sharepoint.com/sites/spark>

2. If you are on a school device, you will be logged in automatically
OR

If you are on another device, use your **school username** and **password** to log into SPArk

3. Click on **Summer Programme** and select your **Year Group**
