Crediting Student WisePay accounts

Dear Parents and Carers,

I hope this letter find you and your families well.

I am writing to remind you of the new secondary catering provision for this year where students can either:

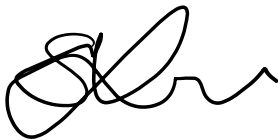

- Bring a packed lunch from home
- Purchase food from the academy using their WisePay account

If students chose to purchase food from the academy, parents/carers must ensure that there are adequate funds in their child's account to be able to do so. Today, we have provided food for those students who had insufficient funds in their account, and we therefore ask for parents to credit WisePay accounts today.

From tomorrow, students will not be able to purchase food from the dining hall if they have insufficient funds. Students were informed of this when purchasing items today. We will be carrying out checks in form tutor time and you will be contacted if there are issues with students not being able to eat at lunchtime.

I would like to thank you in advance for your assistance in this matter.

Yours sincerely,

Ms Jones
Executive Assistant to Principal
