

Friday 15<sup>th</sup> July 2022

Dear parents/carers,

Unfortunately, we have been advised by Ark, following government guidance that all trips/visits on Monday 18<sup>th</sup> July and Tuesday 19<sup>th</sup> July should be cancelled due to the extreme weather. I appreciate this is disappointing for our students who have deserved their reward trip very much. We assure you that these trips will happen early in Autumn 1, next academic year. Instead, students will simply follow their normal academy timetable on these days.

We will send further details about reimbursing payments and plans for these trips next academic year in due course.

Yours sincerely,

Ms Banton  
Vice Principal
