

Ark Isaac Newton Academy

20th September 2022

Dear Parents/Carers,

As part of your child's journey from Primary school, we would like to invite our community to our Year 6 Open Evening on Thursday 29th September 2022.

The evening will provide an opportunity for students and parents/carers to look around the academy's facilities, meet staff and current students, and try their hand at some educational activities to give them an idea of what student life will be like during the secondary phase at Ark Isaac Newton Academy. Information will be provided on our curriculum, with focus on what they will learn in year 7. It will also provide information on SEND support and the admissions process.

Open Evening takes place on **Thursday 29th September 2022 from 17:30 to 19:15**. The Principal's address will take at 6:30pm in the main hall and will be followed by current INA students sharing their experiences.

If you are unable to attend this evening but would like to see the academy, there are also open mornings on the following dates with tours of the academy and a chance to speak with students, members of the senior leadership:

- Tuesday 27th September 2022 from 9:00 to 10:15am.
- Wednesday 28th September 2022 from 9:00 to 10:15am.

During open morning, please arrive at main reception for 8.50am where a student will greet you and take you on a tour of the academy. If you would like to attend the open morning, please book a place via this link: [Open Morning](#). We will not admit parents/carers who arrive after 9:00am.

We look forward to seeing you at the open evening/morning and in September when your child starts the secondary phase of their education.

Yours sincerely,

Mr Austin
Vice Principal
